Busy Bees Pre-School

Tuesday, 15th September 2020

Dear Busy Bees families,

We are happy to inform you that following the recent Government announcement we are now able to open our classes for the 2020-2021 school year. Honey Bees will start from Thursday 17th September, Mandarin Bees from Friday 18th September and Wee Bees from Monday 21st September.

The classroom has been thoroughly sanitized and is safely ready for our little Bees. We will continue to adhere to the Centre for Health Protection guidelines.

It is important for you to be assured that Busy Bees will be implementing even stricter policies for all classes going forward:

- Absolutely no student, adult or staff member will be admitted to Busy Bees without first signing the Declaration form regarding travel and health/symptoms.
- All students and staff are expected to wear a mask at all times inside the Hong Kong Football Club, unless they are eating or drinking.
- We will be enforcing strict Social Distancing within Busy Bees so that there is maximum amount of space between all students and adults.
- Students will be put in groups of four with the required distancing measures.
- Students will be eating at a very safe distance from each other with an adult overseeing.
- Students will be reminded to avoid touching their eyes, noses and mouths before and after physical activity.
- Students will perform proper hand hygiene procedures before and after activities.
- Please pack a spare face masks in your child's school bag.
- Wee Bee classes will now only admit 1 accompanied adult per child during the session.

We will enforce extra handwashing and sanitizing, general good hygiene and ongoing temperature checks. We are cleaning and disinfecting classroom materials and surfaces more frequently than we already were.

The health of everyone at Busy Bees is of great importance to us and we want to ensure you that we will do our utmost to protect everyone in the Hive.

Thank you all for your support and patience.

We look forward to seeing you at the Hive!

Stay safe and keep well,
Busy Bees Team
